PUTTING IT ALL TOGETHER:

Cut all three ribbons about 33" long. Knot one end together. Tape knot end of ribbon to some cardboard, a book or table, anything that will give you a base to braid on. Braid the ribbon until about 9" of ribbon is left to hang free. Secure end of braid by wrapping a piece of tape temporarily around the ribbon.

Loop the top portion of the ribbon so as a doorknob will easily fit through. Knot at this point using a dab of craft glue to secure the knot. Glue the three hearts down the rest of the braid. Let dry. Remove tape from braid.
